

RIGHT WAY TO THROW AWAY DAY

SAT., APRIL 20 | 8 AM - 2 PM

at Bobby L. Chain Airport or Lamar County Multi-Purpose Center

The City of Hattiesburg is partnering with several governmental and community agencies to host the Right Way to Throw Away Day on Saturday, April 20, with two drop-off locations at Bobby L. Chain Municipal Airport (Academy Drive, Hattiesburg, MS 39401) and Lamar County Multi-Purpose Center (99 Central Industrial Row, Purvis, MS 39475). Between 8 a.m. and 2 p.m., residents can properly dispose of household items like cleaners, transmission fluid, bleach and old electronics.

Why?

To prevent these types of chemicals and products from ending up in our soil and water, this event helps place hazardous household items in the hands of people who know how to properly dispose of them.

What can I bring?

Aerosols, All-purpose cleaners, Ammonia, Anti-freeze, Appliances, Automobile Cleaner, Barbecue Lighter Fluid, Batteries, Brake fluid, Chlorine Bleach, Detergents, Disinfectants, Drain Opener, Furniture Polish, Herbicides, Insecticides, Mothballs, Motor Oils, Oil Filters, Oven Cleaners, Paint, Paint Thinner, Pesticides, Photographic Development Chemicals, Pool Chemicals, Rodent Poison, Rubber Cement, Rug and Upholstery Cleaner, Silver Polish, Tires, Transmission Fluid, Turpentine, Varnish, Water Sealer, Wood Finish, Computers, Laptops, Keyboards and Monitors, Washers and Dryers, Fluorescent bulbs, TVs, refrigerators and freezers, etc.

What can I not bring?

Ammunition, Explosives, Medical Waste, Syringes, Radioactive Materials, PCB's
